(Jugs sold in increments of 4)

**Need custom
design work?**

We have a team of designers
that can reach out to you
after placing your order!

With decades of experience
and hundreds of thousands of
customers' opinions,
we created a heat scale
based on what
"average" people enjoy.

Most experienced, adventurous eaters can
handle more than 10/10, which is why some
of our sauces are well beyond
the "average" people range.

HOT SAUCE

Code	Name / Flavor	Heat	Price 5oz Bottle	Gallon Jug
